5-Reel Video Slot

A tail-wagging adventure with fluffy paws, where playful puppies and boundless fun unite in a world of pure delight!

Lucky Licks is a 5-reel, 9-payline slot featuring beloved expanding wilds on reels 2, 3, and 4—with an exciting twist! Each wild comes with random multipliers that combine massive potential wins. With charming graphics and audio to captivate players worldwide, Lucky Licks promises a paw-some experience like no other!

KEY HIGHLIGHTS

WILDS can appear on reels 2, 3, and 4, expanding to fill the entire reel with a multiplier ranging from x1 to x7.

Landing a Wild triggers a Re-spin, with all WILD REELS and their multipliers held in place.

Wins involving EXPANDING WILD are MULTIPLIED. Multiplier values are multiplied by each other creating a substantial win!

HOW TO TRIGGER

Expanding Wild + Respin:

- Wilds landing on reels 2, 3, or 4 expand and awards one respin.
- During the RE-SPIN, all WILD REELS and their multiplier are sticky.

WILD REEL MULTIPLIER

- Above reels 2, 3, and 4, each dog displays a random multiplier values of 1x – 7x.
- When a winning line includes a wild reel, its multiplier applies to the line win.
- If multiple wild reels are in a win, their multipliers are multiplied together.
