We are Playnetic

B2B GAMING PROVIDER FOR THE ONLINE CASINO INDUSTRY

Our mission is to create thrilling, innovative gaming content centered around our core values of delivering **quality games, dedicated customer service, and reliable delivery.**

We pride ourselves on creating engaging games and themes that are popular with players worldwide whilst focusing on simple and flexible commercial terms for our partners.

Our team is comprised of experienced industry-leading talent spanning multiple gaming disciplines.

Our dedicated technology team works collaboratively with our partners to ensure games go out on time, every time.

Our Mission

DELIVERING IMMERSIVE GAMING ENTERTAINMENT

QUALITY GAMES

Our game innovation is driven by emerging trends and data. Each of our Studio Heads works closely with our internal Insights and Analytics team to ensure our roadmaps are built on market insights, encompassing creativity, technological innovation, and trends in gameplay.

We work closely with our B2B partners in each region to build a bespoke roadmap of quality games tailored to their marketplace and players.

RELIABLE DELIVERY

We are dedicated to delivering consistency to our partners. Our unique reliability approach ensures our partners can plan with confidence and be safe in the knowledge that we will deliver our games beyond expectations on time, every time.

We ensure our games are translated, tested, certified, and ready to go to each market.

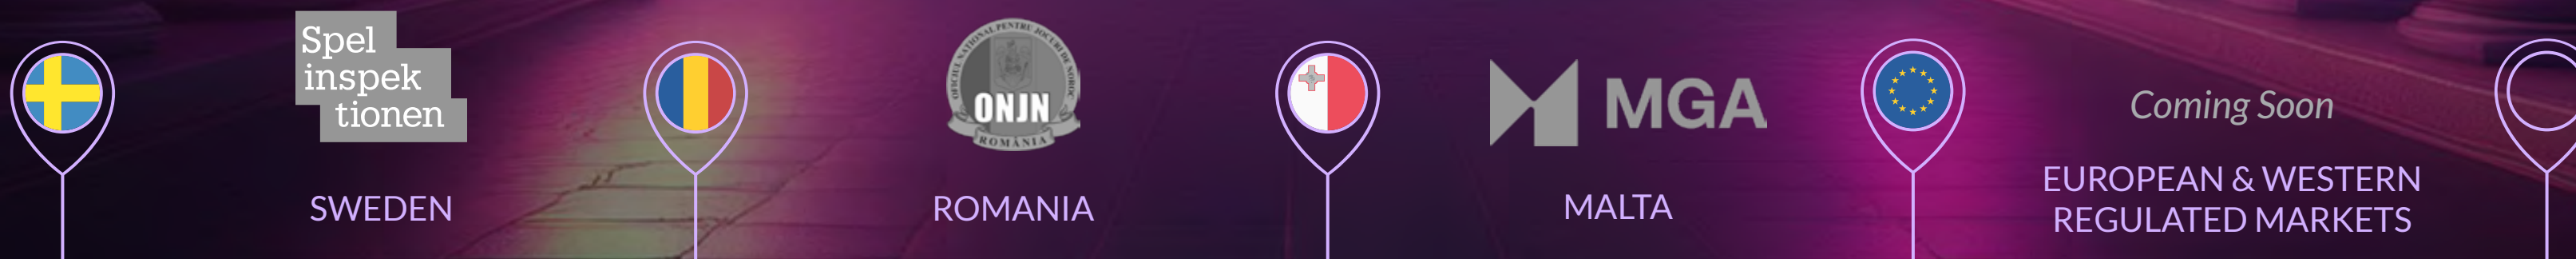

SERVICE WITHOUT COMPLEXITY

Best-in-class customer service is paramount to us. We are uniquely positioned to offer our partners simple, flexible terms to provide the best gaming content without complexity.

We pride ourselves on delivering the same level of communication, attention to detail, and standards across all operators, large and small. Our flexible approach to partner service is our strength.

Immersive Gaming Entertainment

We have three in-house game studios comprised of creative visionaries and producers with vast experience **across multiple gaming industries**, including online gambling, AAA games, and Social gaming.

Our teams are empowered to build our game's roadmap to focus on the future just as much as the present. We focus on building and creating games with **an entertaining, engaging theme and story packed** with appealing game characters and features for the end player, ultimately providing an immersive entertainment experience.

Our multi-talented team leverages cutting-edge technology and innovative game design processes to craft bespoke games for B2B operators. We also have the expertise and capacity to develop exclusive, collaborative games in partnership with our customers.

Games for a Global Audience

Our games development team is dedicated to building an exciting and immersive playing experience, with games that are optimised for mobile, desktop and tablet in a variety of global languages.

Our team leverage the latest technology and in game features that maximise the presentation of high definition graphics, animations, and sound to enhance the overall playing experience.

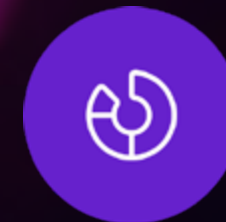

Our games support:

35+ Languages

Fiat Currencies

RTP Variations:
92%, 94%, 96%

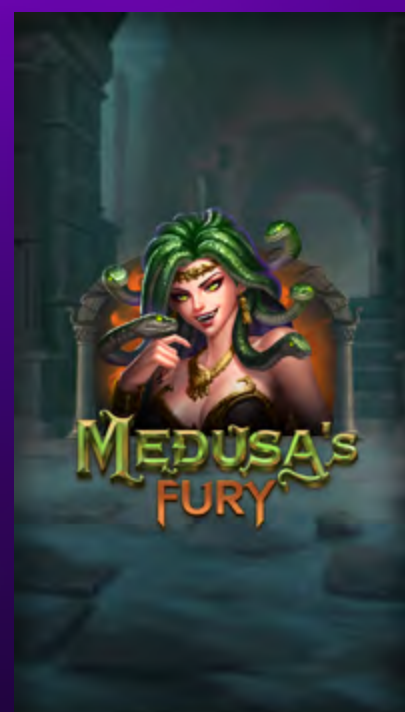

Our Games Portfolio

Playnetic has an ever-growing library of content and plans to launch multiple games a month from our 3 In-House Game Studios.
